

I want to express my sincere appreciation for our local radio stations and the work they do on behalf of our area charities. Not a single week goes by that one of the stations is not helping the non-profit community with on-air interviews, PSA's, or live remotes. For us, KHKX-FM is fantastic. Aside from doing a four-day Radiothon to benefit Children's Miracle Network (it has raised nearly \$200,000 in pledges the past three years), the station helps promote any and all projects we are working on. They also do a tremendous job for other organizations with events like a weekend-long food drive, blood drives, etc. We are very blessed with a concerned, active group of radio stations.  
Thank you for your time.
